Dear Krishna Chaitanya Ethamukkala:

Your TOEFL iBT® Home Edition scores from your test on November 13, 2024 could not be reported because you received assistance during the test.

In addition, because this is a serious violation of testing policy, you are not permitted to take the TOEFL iBT® Home Edition test or any ETS tests until after November 14, 2025.

After November 14, 2025, if you wish to test, you must contact the Office of Testing Integrity at [TSReturns@ets.org](mailto:TSReturns@ets.org) for approval to test again.

Additional violations will result in further restrictions or legal actions.

If you have further questions concerning this matter, contact us at [TSReturns@ets.org](mailto:TSReturns@ets.org) or 1-609-406-5430 (option 6).

Sincerely,  
ETS Office of Testing Integrity
